

ASBURY YOUTH 2016-2017

As a parent, I give permission for

to participate in all youth activities for the 2016-2017 school year. If there is an event in which I do not want my youth to participate, I understand I must notify the youth leader in charge for each such occasion.

As a youth, I understand that I am to conduct myself with the grace and peace of Christ, as well as follow all of the YG rules. If I do not meet this requirement, I understand I may be sent home from any trip and/or not be allowed to participate in future outings.
